

Lake Wylie Lutheran Church
Career Transition Support Ministry
Sharing Faith Stories and Connections

***"For surely I know the plans I have for you,
says the Lord, plans for your welfare and not
for harm, to give you a future with hope"
(Jeremiah 29:11)***

Lake Wylie Lutheran Church is offering a Career Transition Support Ministry. The purpose of this ministry is to provide confidential, Christian fellowship for those making job or career changes to discuss feelings, common issues and practical actions during their transition time.

Participants engage in sharing their situation and what they are looking to do. Facilitators and other participants as well provide feedback and ideas to help focus on successful action plans while strengthening a faith relationship with God.

The meeting format begins with a Devotional followed by introductions, individual weekly check- in, group discussion topics like feelings, resumes, networking, interviewing, follow up, family and how to market yourself. We'll end each meeting by identifying action items for the coming week and close with prayer.
